Dear **Ms. Mababa**,

Greetings from the College of the Holy Spirit of Tarlac Alumni Association (CHSTAA).

Every so often, CHSTAA organizes fora to orient and educate selected audiences on current national or local issues and concerns. This year, the foremost concerns are: the unabated rise of HIV/AIDS among the youth, as well as the increasing number of suicide or self-inflicted injury among them.

Since the school, in particular the guidance counselors, play a crucial part in the prevention of both of these, CHSTAA would like to invite them or any representative from the school, to attend the CHSTAA Forum on HIV Awareness and Mental Health. This will be held at the College of the Holy Spirit in San Sebastian on August 27, 8:00 AM - 5:00 PM. There is NO registration fee and lunch will be served. We will also give certificates of attendance.

The objectives of the forum include:

1. Orientation and awareness of the magnitude of the problem in the Philippines, specifically in Tarlac
2. Recognition of warning signs and symptoms and how, when and who to refer cases to

We hope that we can work together to protect our youth. We look forward to your support in coordinating for the attendance of the participants in the public sector.

We are available, at your convenience, for clarification and other matters you may wish to discuss. My contact number is +63 906 421 4078, email address is conkyquizon@gmail.com. You can also reach out to Riza dela Cruz at +63 920 945 0206 and rizarozdc@yahoo.com.

Very truly yours,
